Nervous Periodical Headaches

This trouble commonly called "tick headache," is said to be due to the retention of urea in the system. Often it is stated that a poor condition of the blood is a cause of these headaches, or that it is a nervous condition; and in certain cases, no doubt this is true. Where treatment is demanded, it is more for the pain than anything else, and Dr. A. F. Schellbach of Louisville, has found anti-kamala tablets give prompt and satisfactory relief. "Rest should be insisted upon," he says, "and the patient should go to bed, darken the room, and all the attendants and family should be as quiet as possible. An emetic will sometimes shorten the attack. The bowels should be kept open with 'Acetol'—a hot bath and a thorough rub-down with a coarse towel, often give grateful relief. Two anti-kamala tablets, when the first signs appear, will usually prevent the attack. During an attack, one tablet every hour or two will shorten the attack and relieve the usual nausea and vomiting." These tablets may be obtained at all druggists. Ask for A-K Tablets. They are also successful for nervous headaches, neuralgia and all pains.

TRY THIS TO BANISH ALL RHEUMATIC PAINS

People who have been tormented for years—yes, even so crippled that they were unable to help themselves—have been brought back to robust health through the mighty power of Rheuma.

Rheuma acts with speed: It brings in a few days the relief you have prayed for. It antagonizes the poisons that cause agony and pain in the joints and muscles and quickly the torturing soreness completely disappears.

It is a harmless remedy, but sure and certain, because it is one discovery that has forced rheumatism and sciatica to yield and disappear.

Try a 50-cent bottle of Rheuma, and if you do not get the joyful relief you expect, your money will be returned. The Red Cross Pharmacy always has a supply of Rheuma and guarantees it to you.—Adv.

NO LET-UP BY HUGHES

He Will Continue Vigorous War on the Administration

MAY USE EVEN STRONGER WORDS

He Left Yesterday on His Second Swing Around the Circle

New York, Sept. 19.—The published reports to the effect that Gov. Hughes will be less harsh in his future criticism of the administration are wholly without foundation. As the nominee started yesterday on his second swing around the circle it was made plain that there would be no let-up to the attacks on the Wilson policies. There was intimation, indeed, that Mr. Hughes might use even more vigorous words in expressing his opinion of the president's course in Mexico and of his handling of the railroad controversy. During this trip, which will last until Oct. 1 and carry him into some of the doubtful states of the Middle West, the nominee will again be accompanied by Mrs. Hughes. He will not return to Bridgehampton this season, but he will be able to have a few days' rest early next month in New York City.

Boston, Sept. 19.—Thousands of college graduates in Massachusetts have entered the lists for Hughes by signifying their willingness to join the Hughes National College League. A large number of well known Boston men are included. The league will have headquarters in virtually every state.

WILSON'S SISTER RESTS NEAR HER PARENTS' GRAVES

The President Attended Services in Columbia, S. C., Yesterday.

Columbia, S. C., Sept. 19.—Pres. Wilson yesterday brought to Columbia the body of his sister, Mrs. Annie E. Howe, to be buried in the churchyard where the bodies of his father and mother have rested many years. The funeral party reached Columbia shortly before noon. The city refrained from formal marks of sympathy in obedience to the wishes of the family.

Five thousand persons thronged the streets as the funeral party made its way from the station to the First Presbyterian church and hundreds stood about the edifice with heads uncovered. A brief service was conducted by the pastor, Rev. A. W. Blackwood, assisted by Rev. Thornton Whaling, president of Columbia seminary.

Interment was made in the family plot at the center of the churchyard. The committal service was private. Mrs. Howe rests beside her husband, Dr. George Howe. The same modest shaft which marks his grave will indicate that of the president's sister also. The graves of the president's father and mother, Rev. Dr. and Mrs. Joseph Ruggles Wilson, are only a few feet away.

The president and his party left at 6:15 p. m. for Long Branch, N. J. He spent 15 minutes in Washington this morning and reached Shadow Lawn about 2 p. m.

AUTO HIT TEAM.

Occupants Injured in Crash Near Williston.

Burlington, Sept. 19.—Three persons injured and a horse crippled resulted Sunday when a Hudson touring car, No. 114881 containing two men and two women owned and, it is thought, driven by O. E. Anderson of Barre, crashed into and overturned a buggy containing E. Russell and 18 year-old daughter, of Williston, as they were returning home from church at Essex.

The accident took place at the Four Corners, near the foot of Muddy Brook hill.

Mr. Russell was driving slowly and he alleges that Anderson was driving at a fast speed. It is not known which party is to blame for the accident.

When the buggy was overturned its occupants were hurled to the ground.

The girl sustained a badly bruised hip and minor scratches. It was thought that Mr. Russell had several ribs broken.

A woman, said to be Mr. Anderson's wife, was thrown to the ground by the force of contact. She was cut about the body.

Mr. Russell is employed at the Jones and Isham barn, Williston.

Two Auto Accidents, Neither of Which Proved Serious, Occurred Near Here.

An auto accident happened down below Petersville when a Ford car driven by Raymond Gilman of Marshfield ran into a Ford car from the southern part of the state, the name of the owner being unknown to the writer. No one was seriously hurt, although some of the party were thrown out and the cars were somewhat damaged.
